I would rather just paint over black with black paint and repalce it with all. Makes a better point, and it angers the hell out of them.

▼

Might want to add It's okay to be white for extra tears.

I personally only do my business outside while camping and in private. But would not judge anyone for defiling anything painted with stupid virtue-signaling BS. Poop away!

White Lives Matter painted over Black Lies Matter, would literally spark WWII... Please dear god let that happen! You'd only have to paint over ONE word!

Wow, who arranged all that? I didn't think our President would allow hundreds of thousands (millions?) of patriots peeing in bottles &amp; going hungry!

because seriously, these are the practical differences that can damper or amp up an army's spirits. Good on him or whoever thought of the basics no matter how dirty.

Personally, if I owned a food truck, I'd love to be in DC right now. Guaranteed business.

10 ▼ A dream of mine, further damaged by this turbulent environment. Running a food truck and serving only MAGA patriots.

8 ▼ Sorry, that sucks. You'll probably do pretty well if you go to a couple Trump rallies. The one I went to in NH had one food truck and the wait was 2hrs for \$10 hot dogs.

Hope 2021 brings you closer to your food truck!

3 ▼ You should do a Patriot / Trump -themed truck that serves good ol' down home items. Dress it up like a Train, and call it the Trump Train. Get a smoke-stack ontop with a little smoke generator and train-horn to draw attention to yourself.

would be a hell of a hit at fairs ... or any time. I'd buy extra Freedom Fries (just never run out of Diet Cokes).

hell, put a nice investment website together, make sure his team gets an email, and you never know, you may get a secretive Angel Investor (I hear he does that stuff all the time).

11 ▼ Alex Jones did, was talking about it on Sunday. He didn't want people to have an excuse not to come. He said if they told George Washington in 1776 there wasn't going to be any porta potties, we would still be a British colony 🤔🤔

15 ▼ We need more bathrooms and vendors. More is better. More variety of foods. Use the capitalism, free market. You are entitled to make some money for making an effort to providing the service on top of the cost to cover.
